Dear Svetlana,

I am writing to thank you for your passionate drive and commitment towards your students' training. I can honestly say that after many years of numerous acting classes at Carnegie Mellon University, New York University, Idyllwild Arts Academy, College of the Desert, and Orange County High School of the Arts that your teaching techniques have been the most successful. I actually feel the results! Thank you so very much for your artistry, professionalism, and ability to communicate to an actor (a skill that very few people have). I love that you've joined our faculty.

Sincerely,
Michael J. Criste
