

Hi Svetlana,  
thank you for the past year. I feel as though I've grown quite a bit as both an actress and a person--especially this past semester, when I'm happy to say I finally started enjoying the work and the process and the material. It definitely hasn't been easy, and there have been times when I've wanted to quit, but I'm very proud of the work I did and the growth I've experienced thus far in your class, and I have you to thank for that. n acting teacher and mentor. I'll never forget your classes and what you taught us all about living both on and off the stage.
